

GARDECO

TAKE PART IN OUR ART

Novelties 2022

Novelties 2022

To guide & To follow - Ann Vrielinck

Gardeco is proud to present in this booklet the
new collection edited in 2022.

'Take part in our art', which is the leitmotif of the house, perfectly translates its desire to introduce art in your home. Their collections combine tradition and modernity, creation and production, consolidation and innovation.

Circle of love - Guy Buseyne

“ Subtle ornamentation that adds
a timelessness and relaxed sophistication
to your interior project.”

Thoughts - Raffaella Benetti

Thoughts V time - Raffaella Benetti

Thoughts VI the book - Raffaella Benetti
